

Robotics vs. Counting Technology

Why Choose Robotics?

- Enhances quality, reduces stress, and increases productivity.
- Enables you to better manage off-hour refill processing.
- Handles high peak requirements with ease.
- Prepares you for minimizing staffing.
- Keeps working when your staff takes a break.

- Automates highest movers, ensuring effective NDC utilization and cost savings.
- Saves valuable time spent on manual tasks (e.g., labeling vials, counting T&C's, etc.)
- Positions your store with advanced technology.
